TRIP ALFRESCO
FOR THOSE WHO EXPLORE, NOT JUST TRAVEL
BUSINESS & MICE

When it comes to exploration and tours, our services are synonymous with discipline, dedication, meticulous, punctual, specialised & professional. If you believe your business tours and events deserve them, then, we are a close match !

IDEOLOGY

Living in a dynamic world, where every market is changing immensely every passing minute, our disciplined and quickly adapting teams of experts are working smart and efficiently. We use the cutting edge technology and advanced booking network systems, to offer travel solutions and MICE event organisation catering to every business standards. We carefully plan and host the tours for every traveller to their needs and preferences that they are almost as comfortable as being at home.

As an emerging enterprise, with experienced travel agents and specialists, we are competing with the leaders in this industry to offer business/corporate travels and organise MICE events, not just by providing excellent services, but also observing the service gaps, inadequacies and weaknesses by fulfilling them with our quality hospitality.

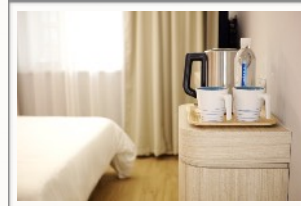

Whether it is on home grounds or international, our travel services and MICE events are conducted with utmost care and professionalism with the highly skilled and well-rated partner agencies. Our meticulous pre-, on- and post-tour operations are punctual to assist every client and to make their journey successful and comfortable.

SPECIALISATION

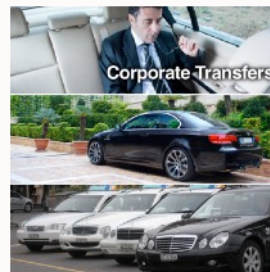

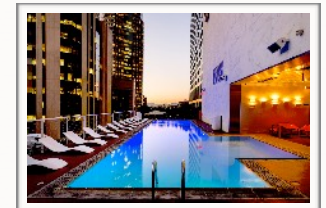

FLIGHT TICKETS

Be it national or international, the network of business is vast and fast, where our action just matches the demand. We organise flight tickets, cruise and private flights/jets, for any class of traveler.

HOTEL ACCOMMODATION

Depending upon the client and traveller's specifications, that is once conveyed to us, we note, save and maintain (or upgrade) their quality standards of accommodations, so that they have no complains, but just flair stay.

TRANSFERS

The key aspect of any journey is the short transfers between longer stays/ travel, which are extremely important and need to be punctual and hassle-free. With our concept -- 'always have a plan B and be prepared' -- we make sure, that no client of ours miss any opportunity and is on schedule to strike at their target.

MICE EVENTS

A conglomeration of people and companies at a common location is vital aspect of business, and often, where there are more people, the chances of errors are more. Our professional ideas and back up schemes not only mitigate these errors, as less and insignificant as possible, but are highly commendable in every way. Our team of specialised and skilled event organisers and partners, domestic or international, offer any type of MICE events and services.
